

FREE PRINTABLE:
PIPITY LITTLE FRIENDLY FISH..
BIG SCARY FISH!

How To Make:

1. Colour-in the fish then cut-out following the outer grey line.
2. Fold the page in half towards you along the middle line (a).
3. Then fold along the dotted lines marked (b), in the opposite direction so that the top and bottom part of the coloured-in fish show.
4. Hold the tabs at the top and bottom to make the fish open and close its mouth!
